

# “Don’t Forget About Me”

## Pediatrics Medical Emergency Preparedness

*In emergency situations, children are often overlooked. To be prepared when disaster strikes, remember the following resources are here for you.*

### Emergency equipment and education are available to you:

- Ventilators
- Go-Kits
- Support teams
- PALS courses
- PEARS courses
- and more...

### For emergencies including kids, call PICU at:

Alaska Native Medical Center .....(907) 729.1050

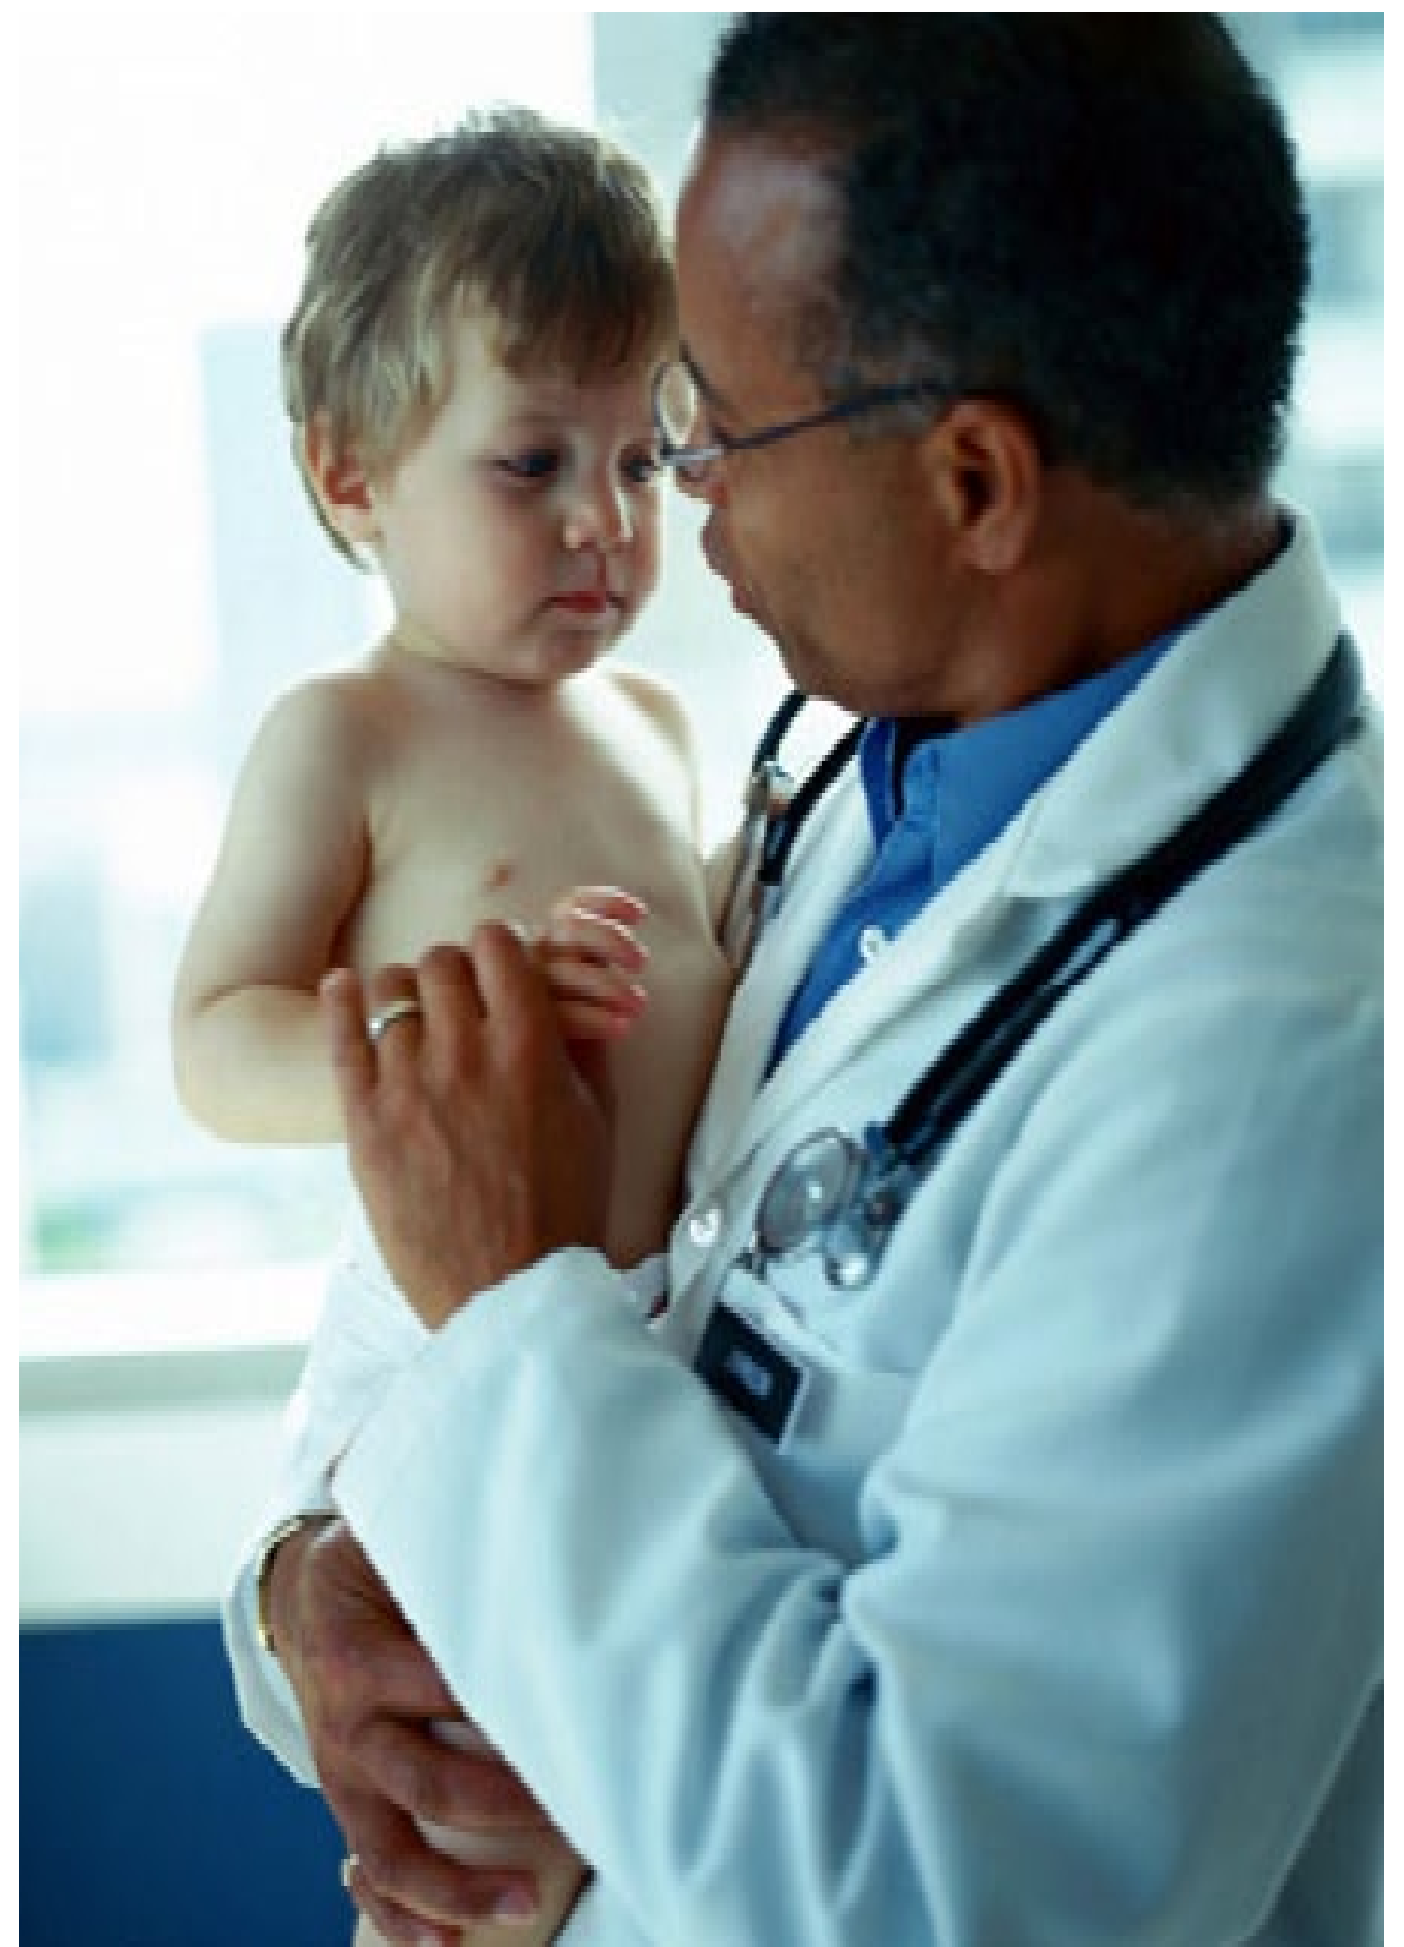

The Children’s Hospital at Providence ... (907) 212.3133

### For non-emergencies or for more information call:

State of Alaska .....(907) 269.3400  
Dept. of Health and Social Services

Municipality of Anchorage .....(907) 343.6718  
Dept. of Health and Human Services

Alaska Nurse Alert System .....(907) 274.0827
